C. Malcolm Knowles

A treasure trove of Chesterfield History is finally available for purchase! Compiled during his lifetime as the unofficial township historian, the **C. Malcolm Knowles Binder Collection** is a street-by-street residential history of Chesterfield Township, including photos, newspaper articles and other ephemera collected by Malcolm Knowles from the 1950s through the early 2000s.

Until now, the 35 Knowles Chesterfield History Binders have only been available by visiting the Chesterfield Township Historical Society's museum on Ward Avenue.
